

ECM Insurance Group

Avian Influenza Coverage

As a leader in Poultry Growers insurance, ECM Insurance Group has expanded its offerings to include coverage for Avian Influenza for poultry confinement operations.

This is a unique offer for ECM poultry grower policyholders in case their flock is affected by Avian Influenza or if the grower loses income as a result of being in a quarantine zone due to a neighboring flock being infected.

ECM Avian Influenza Coverage is available for:

- Owned birds—valued at “cash market value” at the time of loss
- Farm earnings—with option for quarantine cover
- Cleanup and disinfection

*Contact your ECM agent
today for more details.*

ECM Avian Influenza Coverage is available for the following poultry confinement operations:

- Chicken layers/pullets
- Chicken broilers
- Turkeys
- Guinea Fowl
- Ducks
- Geese
- Pheasants
- Quail

ECM Avian Influenza coverage provides insurance for low pathogenic and high pathogenic (HPAI) H5 and H7 subtype strains of viruses and Newcastle Disease that infect domestic fowls.
